

Layout and Notes – Evergreen Cemetery Mason Co, WV

Photographs were taken in yellow section first, blue second and pink third. Each photo has a number. Numbers 4042-4319 were taken in the yellow section, 4320-4413 in the blue section and 4414-4659 in the pink section. Each section has a “Start” and “End” noted. Photos were taken in order from the “Start” location in rows going from the South to the NNW (essentially parallel to the north/south easterly border lines. By knowing the number of the grave photo, you should be able to more quickly locate the tombstone in the cemetery.
